Note: All individual inspectors shall be WABO certified for the type of inspections they are to perform.

This form shall be completed and submitted for approval prior to issuance of a permit.

1704.1.2 Report requirement. Special inspectors shall keep records of inspections. The special inspector shall furnish inspection reports to the building official, and to the registered design professional in responsible charge. Reports shall indicate that work inspected was done in conformance to approved construction documents. Discrepancies shall be brought to the immediate attention of the contractor for correction. If the discrepancies are not corrected, the discrepancies shall be brought to the attention of the building official and to the registered design professional in responsible charge prior to the completion of that phase of the work. A final report documenting required special inspections and correction of any discrepancies noted in the inspections shall be submitted at a point in time agreed upon by the permit applicant and the building official prior to the start of work.

Enforcement

Failure of the special inspector or agency to perform in keeping the requirements of the IBC, the approved plans and this document may void this agreement and the Building

Revised 10/1/08
